

Compliance with Self-Care Instructions:

In order to increase the chance of achieving optimal results, I have provided an accurate and complete medical history, including all past and present dental and medical conditions, prescription and non-prescription medications, any allergies, recreational drug use, and pregnancy (if applicable).

I understand that trauma to the healing areas, smoking, medical conditions, clenching and/or grinding of teeth, dietary and nutritional problems, alcohol intake and medications I may be taking may affect healing and may limit the successful outcome of my surgery.

I agree to follow all instructions provided to me by this office before and after the procedure, take medication(s) as prescribed, practice good oral hygiene, keep all appointments, make return appointments if complications arise and complete care. I will inform my doctor of any past post-operative problems as they arise. My failure to comply could result in complications or less than optimal results.

Supplemental Records and Their Use: I consent to photography, filming, recording, and x-rays of my oral structures as related to these procedures, and for their educational use in lectures or publications, provided my identity is not revealed.

Patient's Endorsement: My endorsement (signature) to this form indicates that I have read and fully understand the terms and words within this document and the explanations referred to or implied. After thorough deliberation, I give my consent for the performance of any and all procedures related to soft tissue grafting as presented to me during the consultation and treatment plan presentation by the dentist.

You or your responsible party will have the opportunity to sign an electronic copy of this form when you arrive at our office for your appointment.
